

Gasfield Free Brands Advocate Training - a fantastic initiative to raise awareness

Can you help us roll out Gasfield Free Brands in the Northern Rivers?

We are so excited to be rolling out the community led Gasfield Free Brand initiative in our beautiful Northern Rivers, it's the natural next step in our campaign to protect our region from invasive gasfields, and we need your help...

If Gasfield Free Brands is to be successful we really need your help to spread the word, our project team is looking for about 30 people to become Gasfield Free Brands Advocates, to help us to disseminate information, and to contact and engage potential licensees in your networks. Our Advocates will be active during the start up phase, from now until April / May next year. If the start up phase is successful we will be launching Australia Wide in July.

We are running Advocates training in Lismore at the Community Legal Centre 16 Carrington Street on **Monday 28 November from 5.30pm-8.30pm** and we would love you to join us.

If you have any questions please feel free to contact Suzie at info@gasfieldfree.com.au or on 0402 672 561
