Community

Huge shout out to all koala and tree lovers we would love you to join us at Gibberagee State Forest now! We are asking the government to stop work and complete koala surveys as required by law. ?♥??

Directions to Gibberagee State Forest between Casino and Grafton near Whiporee. You will need to arrive tonight or be here by 5.30am Tuesday (tomorrow) morning as the road may be closed after this time.

The forest is accessible by most vehicles, with a short gravel road. Access is from the Whiporie-Bungawalbin Rd. If coming from Grafton or Casino along the Summerland Way, go to the village of Whiporie and turn off to the east onto the Bungawalbin-Whiporie Road, after some 4.4 km turn to right onto Hannas Road (need to look for turn - if you come to cleared farmland on both sides you have gone too far), then some 760m further on turn to right onto Lookout Road.
