

Dear Friends of the Koala supporter,  
We would like to invite you to attend this important event.

In the face of the extinction and climate crises, communities are banding together and working towards solutions like never before. To stand up for nature, it's going to take a show of community strength like never before. That's why now is the time to come together, share ideas and learn from each other.

This year, Nature Conservation Council will be in **Lismore on 22 - 23 June** for our regional conference. We are very excited to co-host with member group Friends of the Koala, and will focus the program on species extinction and climate change.

**[You can register now on Eventbrite!](#)**

The conference is a wonderful chance to meet other NCC member groups from across the state, executive, staff, representatives and local conservationists. It's an opportunity for information sharing, skills development and collaborative planning on key policy and campaign issues.

**WHAT** Nature Conservation Council NSW Regional Conference with Friends of the Koala

**WHEN** 22nd - 23rd June, 2019

**WHERE** Lismore Showground

**REGISTER** [Registration is through Eventbrite and here](#). The registration fee is \$25 plus a booking fee and includes access to the program and field trip, and catering on Saturday. If costs are prohibitive to you attending please get in touch at [outreach@nature.org.au](mailto:outreach@nature.org.au)

Coming together to share ideas and unite our communities is so important for nature at this time. I really hope you can join us.

The Lismore lantern parade is the same weekend so we encourage you to book travel and accommodation ASAP. We will have more program information coming shortly so stay tuned!

If you have any questions please get in touch with me at [outreach@nature.org.au](mailto:outreach@nature.org.au)

Look forward to seeing you there.

Jacqui

Lead Organiser
