

This is just the headlines...

Go to their website and read their full charter...it is divisive, destructive, discriminatory...disgusting.

The Institute of Public Affairs (IPA), Australia's premier free market think tank, is dedicated to preserving and strengthening the foundations of economic and political freedom.

The Parliamentary Research Brief program is designed to provide politicians and policy makers around the country with succinct information on various policy areas.

Our new research brief outlines 15 policies the Coalition should implement **before the next election**, and 5 policies they should not implement.

Policies that should be implemented:

1. Remove all references to race in the Australian Constitution
2. Repeal Section 18C
3. Withdraw from the Paris Climate Agreement
4. Implement a flat personal income tax
5. Cut the corporate tax rate to 20 per cent
6. Rotate the right to appoint judges to the High Court between each of the six states and the Commonwealth
7. Double the size of the House of Representatives and half the size of the Ministry
8. Privatise the ABC
9. Re-introduce the debt ceiling
10. Hold a Royal Commission into the Bureau of Meteorology's manipulation of temperature data
11. Abolish compulsory superannuation
12. Abolish all subsidies for renewable energy
13. Introduce a one-in, two-out rule for regulation to cut red tape
14. Repeal the *Fair Work Act*
15. Legalise nuclear power in Australia
