

Friends, we're passing this information along about a week of actions to show opposition to the Adani mine, starting on **Monday, 28 June 2021** and going through **Friday, 2 July 2021**.

For details, go to <https://www.stopadani.com> and scroll down to the map at the bottom to see the locations of the various activities. If you click on an activity, you'll see more information about it and a chance to RSVP. If you do RSVP to an action, the organiser will receive your contact details and will get in touch with any further information you may need.

A key aim is to increase the pressure on HSBC, a major Adani bond holder, to stop funding the project. The Gold Coast campaign will focus on the HSBC offices there. One action is a letter drop to HSBC on **Friday, 2 July**. Those gathered will hand deliver letters to the HSBC office at 83b Scarborough Street, Southport (Gold Coast) QLD at 9AM. To get more information about this action, email [stopadanigoldcoast@gmail.com](mailto:stopadanigoldcoast@gmail.com).

Some NRG members are aiming to get to Southport by 10AM to help with the letter drop at that time. If you're interested in that, please reply to this email and someone will contact you.

The StopAdani website has more information about this effort and additional actions to explore further, so be sure to check it out: <https://www.stopadani.com>.

Hi Mate, for the NEC web site : also for the NEC and NRg sites/ lists.

One of our GC members wrote: Thanks in advance to anyone taking the time to help out with this vital push to stop the investment into the Adani coal mine!!! some Nimbin area people plan to go to the action on Friday 2nd July at HSBC offices, 83 B, Scarborough St, Southport, Gold Coast. Because of the distance the event will span from 0900 to 1030 to allow people to join the protest.

At the bottom of the Stop Adani homepage you'll find a list and a map showing the dates, times and locations of many of the actions planned for the group's upcoming "week of action on investors", taking place all next week (June 28'th - July 2'nd).

<https://www.stopadani.com/>

If you RSVP to one of the actions on the web site (for example an online action or at the Gold Coast HSBC), the organiser will be sent your contact details and get in touch with any further information you may need.
