

# KOALA SURVEY - LEARD STATE FOREST

near Boggabri, Liverpool Plains.

OCTOBER 2012

## *TREE HUGGERS NEEDED*

HELP SAVE THE DISAPPEARING KOALA & NATIONALLY CRITICALLY ENDANGERED BOX GUM WOODLAND **THREATENED BY COAL MINING.**

By the end of October, Federal Minister Tony Burke will make his decision under the *Environment Protection and Biodiversity Conservation Act 1999*. He needs to reject the coal mine applications because in Leard State Forest the impacts on the many matters of national environmental significance are too great to mitigate.

**Training workshop October 6-7th**, dates of other workshops TBA.  
**& Koala Picnic Day** Sunday 14th October  
FLAC Camp on Leards Forest Road

Learn to identify Koala scats (pooh) and identify good habitat to become part of a survey crew.
