

Good morning!

Barbara Thomas has referred me to your group. She mentioned that your members are interested in ethical issues such as divestment from fossil fuels.

We thought that you might like to extend an invitation to your networks about this upcoming event we are holding as proud members of the Ethical Advisers Co-operative, for Ethical Investment Week.

We'd love for you to attend our upcoming event Divest: Re-invest - Where is the smart money invested?

You will hear from Emeritus Professor Ian Lowe and Australian Ethical International Equities Portfolio Manager, Nathan Lim.

They will explain the latest trends in the environment and how they relate to your money.

Where: Currumbin RSL, Currumbin Qld

When: Thursday 15th October, 6pm – 8pm

Complimentary drink on arrival, food available for purchase at the venue

RSVP: info@ethicalinvestment.com.au or <http://ethical-investment>.

Proudly organised by the Ethical Advisers' Co-operative. <http://ethicalinvestmentweek>.

We hope you can make it!

Kind regards,
